**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they offered a better service for less. They were honest and wired my house properly. Sonic continually lied about my internet speed and offered terrible customer service.

If it wasn't for companies like Sonic I would be stuck with essentially a monopoly service provider that sucks at what they do and has no infrastructure. They piggy back off old lines and say you are getting the service you pay for so they can cut costs and they get away with it!

I share internet with 4 people in my home and we need the high broadband, Sonic can provide it to us without interruption in a way that Xfinity (Comcast) never could.
